PACKING LIST OR PACKAGING LIST

DEFINITION	<p>An international trade document that is always in the documentary bundle, listing all the packages making up a shipment. This list is used to check that the consignment conforms to the order, i.e. the invoice issued by the invoice. It shows the identification of each package (marks, number, weight, etc.) and also gives the totals for the shipment (number of packages, cubage, gross weight, etc.) and the packaging used. This document is required by customs for both export and import.</p> <p>NB: The packing list does not include information about the cost or value of the contents.</p>
PROCEDURE DESCRIPTION	The operator fills in the packing list himself.
